

2017 Eastern World Series Salisbury/Ocean City, Maryland

Coaches Corner

Kick back and relax after you've gone through the Manager's Check-In line in our Coaches Corner. Space will be provided for Managers and Team Administrators to sort through materials distributed in the Check-In line. The space will be available from the start of the Check-In until the Managers Luncheon begins. Light refreshments will be provided.

Gift Exchange

There will be an optional team gift exchange. Teams wishing to participate should bring a minimum of 16 gifts that are representative of their home area, the value of which is no more than \$10.00. The team manager should inform our staff at the Manager's Check-In that their team brought a gift to participate in the gift exchange. Participating teams will be paired up during the Managers Luncheon at which point the team representatives can coordinate a time that is best for both teams to exchange gifts.
