

2017 Eastern World Series Salisbury/Ocean City, Maryland

Team Gate Fee (\$900 Flat Fee Payable per Team) – Early Bird Discounts Available

First introduced in 2013 as a less expensive and more convenient option than the typical per person/per day fee, this year's gate admission will again be a flat fee payable per team. This one-time fee covers admission for team players, coaches and spectators to all parks. The form to submit your team's gate fee is included in this packet (**see page 13**). All teams must register for the event through www.ussa.com and submit their team gate fee form and payment to Wicomico County. Deadlines are as follows:

- Early Bird Discount -\$50 off –**April 28th** (Mail payment prior to April 28th and pay only \$850 per team.)
- Week 1 & 2 Gate Fee payments– **June 27th**
- Week 3 Gate Fee payments– **July 3rd**
- A late fee of **\$50.00** will be assessed to team gate fee payments submitted after the deadlines listed.

Cooler Policy

Once again the cooler policy will be waived for everyone's benefit. Aside from alcoholic beverages there will be no restrictions on the food or drink that teams bring to the park. Teams will be responsible for supplying their own drinks in order to keep properly hydrated throughout the event. We ask that you keep the coolers to a respectable size (i.e. no large fishing coolers) and please continue to patronize our concessionaires.
